They recommend an end of year audit and will check monthly until the transition from WMG to our own office is more normal. If necessary they will also make journal entries for corrections. Financials tabled until numbers can be entered in file.

D. Committees/Reports

1. NEPCO - Next meeting is October 7 with Wayne Williams as guest speaker.  
2. ACC - 18 New construction applications approved in 2006. One new house construction application has been received; it is the first plan that will fall under the new compliance fees.

a. 19455 Kershaw Court - Board decided that since the complainant did not respond to the HOA request for a written statement, that no action would be taken on the Builder nor any new homeowner of the property.

b. 850 Lancers Court East - Equipment is stored on property. ACC has imposed a \$50 a day per item fine to start September 28th if equipment is not removed. Board approved.

c. 1653 Kings Cross Lane - A white vinyl fence was approved in January with contingency about landscaping around fence. The ACC granted an extension to complete by the end of September upon the request of the homeowner. Nothing has been done at this time. The ACC proposes to notify the homeowner requesting removal of fence and or complete the landscaping no later than September 30. A \$100 fine per week will start October 1 if not resolved, with the possibility of a lien if the problem continues beyond November. Board approved.

d. 19719 Hunting Downs Lane - Wagon was disapproved by the ACC. If the HOA wants to take any further action it will need to be via the covenant enforcement route.

e. 540 Kings Deer Point East -Fine of \$250.00 has still not been paid. Board approved filing an intent to lien with \$250 fine plus legal fees.

f. 19834 Kershaw Court - A second letter should be mailed about the unfinished monuments at the end of the drive with a notice of possible fine by October 15 if not finished.

## II. Covenants

1. 18855 Archers Drive - Discussed an unapproved invisible dog fence. The problem is that the fence comes too close to the trail. The owner said the invisible fence was installed before the 50 foot rule was adopted and he had the papers to prove it. The Board accepted the owner's offer to place 2 signs near the trail to advise pedestrians that an invisible dog fence was installed. Board approved with a completion deadline of October 10.

2. 740 Lancers Court - Send a letter including the provision for short term parking and send a copy of policy. RV is not hidden well enough from the street for the Covenants.

3. 19620 Rathbone Circle - Send a letter notifying homeowner that if the boat is not removed by September 28th a fine of \$50 per day will be levied starting September 29th.

4. 18535 Wetherill - Letter to be sent letting homeowner know that if the trees are not removed by the end of the month the HOA will request our maintenance person to take them out, the homeowner will be billed and the HOA will include a fine of \$250 per tree.

5. 1005 Trumpeters - Letter to be sent letting the lot owner know that if the trees and slash are not removed by the end of the month the HOA will request our maintenance person to take care of it, the homeowner will be billed and the HOA will include a fine of \$500.
