

King's Deer Homeowners Association, Inc. Certificate of Use Application Dumpster Roll-Off

As the applicant for this Certificate of Use for a dumpster roll-off, I attest to the following facts:

- The unit is placed at ground level and is setback a minimum of ten (10) feet from the front property line and minimum of five (5) feet from all other property lines. Additionally, the location complies with the safe sight distance triangle regulations.
- Waste and debris must be contained within the dumpster with wire mesh or other containment material, or secured dumpster cover or lid.
- I have read and agree to the King's Deer Homeowners Association, Inc. Dumpster Roll-off Policy.

Please fill out the form below.
