**Subject:** \*Kindly Respond by May 22 - King's Deer Amenities Prioritization - Advisory Survey  
**Date:** Thursday, May 15, 2025 11:31:26 AM

---

To: King's Deer Owners,

During the Open Forums conducted between February and May, it was clear that the community wanted to have input on which amenities are valued and which are not. This 8-question survey should take about 2 minutes to complete. It is non-binding and anonymous. Kindly complete only 1 survey per household by Thursday, May 22, 2025. (You may forward this email to another household member for response.)

Note: This survey does not include questions on operating expenses but is limited to those amenities listed in the 2024 Reserve Study with the highest costs for long-term planning.

The HOA Board thanks you in advance for your time and feedback.
