Subject: *Action Requested ASAP* - Your Vote Needed by tomorrow, Fri. Nov 21 @ 5PM !
Date: Thursday, November 20, 2025 1:37:54 PM

We are in the final hours of the voting period to Amend the HOA Covenants to increase the Annual Assessment Cap to \$450. This is the only change being proposed and the cap has not changed in over 20 years. You are receiving this friendly reminder because your ballot is still outstanding. **The deadline is Friday at 5 p.m. MT and the Board would greatly appreciate your vote to APPROVE the amendment.** The increase is needed to maintain/refurbish our amenities and common areas. The voting materials you received provide thorough details and instructions, including a set of FAQs that were shared at the Annual Meeting on Nov. 4th.

****Action Requested:**** Please vote the electronic ballot (preferred) that was sent to your email of record on Nov 7th from [Kings Deer HOA eVoting Administrator](#) <kingsdeer@ivotehoa.com> with the subject line “**Invitation To Vote - Kings Deer HOA 2025 Covenant Amendment**”. The paper ballot was sent via USPS mail to your home at the same time. If voting by paper ballot, please deliver to the HOA dropbox at the King’s Deer Golf Club by the deadline. If you cannot locate your ballot, please contact John Highhouse immediately. Your vote is important!

The Board of Directors sincerely appreciates your engagement on this important topic and wishes you a very happy holiday season!
